Our Happy Business Owners

With Grexa AI, small businesses get the marketing power of a big brand without even needing a marketing team or an agency

I have been working with the members of Grexa AI for about a year, and I'm very pleased with them. I am a doctor and wasn't sure how to drive traffic to my clinic, so having them as a resource was perfect. I have watched my business grow from 5-10 customers a month to 20-30 and it's only getting better.

“ Before Grexa AI, most of my students came through paid ads, and I was missing out on organic leads. With their help, my Google profile quickly ranked in the top 2 for yoga, impressions tripled, and my lead volume more than doubled. Thanks to Grexa AI, AdiYoga has truly established itself as one of the best at-home yoga classes in the area. ”
